### Our Purpose

The Tulsa Industrial Loan & Investment Co. offers to the non-propertied and salaried people of Tulsa an opportunity to borrow money on non-usurous and noncharitable terms. The company loans money at 8% interest and 2% investigation fee; this is less than the legalized rate in practically every state in the union. This loan is paid back in monthly payments by the purchase of a 4% Savings Certificate, and is immediately reloaned.

### As an Investment Institutions of this kind which have been in operation

for some time show an actual gross earning of from 30% to 40%. WE WILL PAY QUARTERLY DIVI-DENDS. OUR STOCK IS COMMON STOCK, FULLY PAID, NONASSESSABLE. THERE IS NO PREFERRED STOCK, NO BONDS AND NO CERTIFICATES OF INDEBTEDNESS. All of our business is done with people of Tulsa. Our success depends on their permanent patronage. We will have that patronage without going after it, because there are no other institutions like ours in Tulsa. But some day competition will come, when it does, we want to continue to have our business come to us, and we are going to do it by letting our patrons share equally in our profits, which will accomplish for us now what it would cost more to accomplish later. After the roaster has assured himself of the quality of the green bean and knows it has been carefully picked, hulled, selected and stored, he is concerned next about the blend.

Most coffee men will tell you that "the blend is the thing." And much of the difference in coffee depends upon the blend. Still many good coffees are not blended at all and others contain only two kinds of coffee.

POLAR BEAR COFFEE is a blend of three high grade coffees. The selection of these coffees is the work of an expert. The mild, delicious flavor and the unsurpassed fragrance of POLAR BEAR COFFEE tell of the success of this blend.

Try POLAR BEAR. We think well enough of this blend to guarantee your money back if you do not like it.
